I.D. # C00350462
October Quarterly Report (7/1/00 to 9/30/00)

Dear Ms. Williamson,

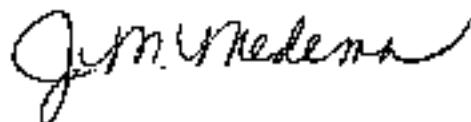

This is in response to your letter dated October 3, 2001 regarding the disclosure of several contributions to candidates on the report listed above.

All contributions made to the candidates in question were undesignated contributions; we did not specify on the contribution that they be applied to any specific election. Per FEC code, such undesignated contributions must be applied to the next election for that Federal office after the contribution is made. Therefore, all contributions should have been applied to the general election. We incorrectly disclosed that information on our report.

We have corrected all contributions to candidates in question on the report and are submitting an amended report to you.

Please feel free to contact me with any further questions regarding this matter.

Sincerely,

Jacqueline M. Medema, Treasurer
Continuing a Majority Party Action Committee
